South Jordan City also offers **FREE** pickup of your old toilet when participating in the toilet replacement program. To schedule a free curb side pickup contact Public Works-Sanitation at 801-253-5203.

Please review and sign the following program guidelines and important information before submitting rebate:

- Please allow four to six weeks to process the request. A check will be mailed out to the address listed on the rebate form.
- High efficiency toilets (HET) purchased by homeowners for the program are intended for their own personal use in the location provided and shall not be resold.
- South Jordan City makes no representation or warranty that the home owner will be satisfied with the performance or the purchase of the HET.
- South Jordan City assumes no liability for any loss, damage, or expense in connection with the materials, workmanship, or fitness of the HET; or the installation of the HET; or with the use of these items.
- The homeowner hereby releases and agrees to hold harmless South Jordan City and its employees from any and all claims, losses, harms, costs, liabilities, damages, and expenses directly and indirectly resulting from or related to the HET installed.
- Any HET for which a rebate is issued is subject to on-site installation verification. If the HET installation cannot be verified, the homeowner shall return the full rebate amount to South Jordan City. Units must be installed within 30 days of home owner's receipt of the HET.
- The rebate offer does not include any offer by South Jordan City to provide labor for installation, removal, or disposal of any toilets. The homeowner is responsible to remove their old toilets, installation of the new HET, and disposal of any old toilets. Homeowners have the option to do the installation themselves or hire a private contractor.
- South Jordan City does not warranty or assume any liability for the design, manufacture, installation, and operation of any HET. South Jordan City makes no warranty, express or implied, including but not limited to the warranty of merchantability and the warranty of fitness for a particular propose, about any HET received, installed, or used by the applicant.

For the purpose of determining the water saving effectiveness of this program, the homeowner agrees to allow the City of South Jordan to examine municipal water use records of participating residences. The home owner also allows City staff to verify the installation of the purchased equipment.

I understand and give permission for my water use records to be examined:

South Jordan City's toilet replacement program is a product rebate program of South Jordan City funded by Jordan Valley Water Conservancy District (JVWCD). Effective rebate date will begin on **July 1st** until funds are exhausted. Rebates are offered independently of any sales prices or rebates that may be concurrently offered by manufacturers or vendors. The filing of this rebate form does not constitute an agreement between the filer and the City. Acceptance of this form does not constitute acceptance of filers claim for a rebate or guarantee that the filer shall receive any funds as all rebate awards are made subject to funding limitations. Submitting fraudulent receipts or any other evidence of compliance with the rebate program is a crime.
